

# NEW ERA OF COMFORT

SERIES 2500  
**GAMING CHAIR**  
MODEL: YSG-71311

## Features

Our brand-new ergonomic racing chair is thickly cushioned for maximum comfort, whether spending long hours at the office, in front of the computer, or gaming. Covered with breathable premium PU leather, the chair is equipped with freely adjustable lumbar and headrest memory foam pillow to protect your spine and neck, while the adjustable reclining feature allows users to lock in any reclining position.

## Structure

Perfect gaming chair to fit any space with a dimension of 20.86" long, 21.26" wide, and 12.60" tall. It can hold a maximum weight capacity of 330 pounds, making it an ideal gaming chair for next level warriors.

## Design

A butterfly mechanism with adjustable armrest and seat-height, reclinable 90-170°, and 360°swivel will adjust to your comfort level, and letting you enjoy hours of gaming.

## Materials

Smooth PU leather, an added seat cushion, and memory foam cervical and lumbar pillows offer added support and comfort for long hours of gaming. The heavy duty base and nylon smooth-rolling casters provide great stability and mobility.

## Frame

Strong metal frame designed to help promote a comfortable seated position, keeping you comfy after long hours of game or work. Thick padded back & seat take this chair to the next level of comfort.

## Cushion Material

Includes 2 cushions made from memory foam making it the ideal seat of choice for working, studying and gaming.
